

AGEL NUTRITIONAL & GELCEUTICALS

Proactive Approach to Health and Vitality

EXO – ANTI OXIDANT & ANTI-AGING

- Anti Oxidant slows down the aging process
- Provides cardio vascular support
- Health supplement with 5 servings of fruits & vegetables
- 17 botanicals & 200 Anti Oxidants
- Promotes blood circulation to all body parts and cells
- Supports healthy vision & recognition
- Shields all cells from free radicals damage
- Guards healthy urinary tract health
- Nourishes cells with trace minerals
- Detoxifies the blood

EXO Active Ingredients:

Acai, Acerola, Aronia, Aloe Vera, Bilberry, Blueberry, Cranberry, Elderberry, Gac Fruit, Dark Grape, Mangosteen, Noni, Pomegranate, Prune, Rooibos, Seabuckthorn, Wolfberry

UMI – IMMUNITY & CELLULAR HEALTH

- Boosts immune system activity and stimulates immune response when attacked by foreign bacteria and viruses by increasing healthy white blood cells
- Contains **Fucoidan** polysaccharides from brown seaweed which assists in inducing apoptosis – the natural means by which organisms eliminate harmful cells
- Promotes optimal gastrointestinal health
- Supports Respiratory Functions
- Supports proper liver and kidney function and helps replace dead cells enabling tissue and organ regeneration

UMI Active Ingredients:

Fucoidan, Apple Cider
(Cultures whose diets are high in Focoidan have exceptional health and boast famously long life spans)

MIN – STAMINA & AGELESS ZEST

- Contains 100% daily Vitamins and & 50% daily Minerals
- Maintains overall body health and homeostasis
- Helps support normal growth and development in children and adolescents
- Helps support normal bone, teeth and joint health
- Vitamins & Minerals assist in conversion of food to energy
- Vitamin co enzymes produce efficient energy production from food, increasing physical & mental stamina and mineral cofactors enhance more than 2000 enzyme reactions in the cells

MIN Active Ingredients:

Apple Cider Vinegar, Magnesium Chelate, Monocalcium, Phosphate, Inositol, Ascorbic Acid, Biotin, Mixed Tocopherols, Niacinamide, Calcium Pantothenate, Zinc & Manganese Chelate, Vitamin A Palmitate, Copper Chelate & Chromium Chelate, Pyridoxine, HCl, Riboflavin, Thiamine HCl, Molybdenum
Chelate Ingredient: Garcinia Cambogia, Apple Cider Vinegar, Powdered Cellulose, Cyanocobalamin, Folic Acid, Vanadium Chelate, Potassium Iodide

OHM – ENERGY & FOCUS

- Supports mental focus & physical energy when you need a power boost
- Contains: C1, B1, B2, B3, B5, B6, B12 Water Soluble Vitamin Coenzymes for energy
- Helps support the immune system
- Chromium & Vanadium are Mineral Cofactors & Energy Nutrients
- Contains Taurine and Inositol for Energy-production and transmittion
- Fruits & Botanicals Schizandra, Rhodiola & Ginseng help with focus
- Adaptogenic herbs help cope with stress
- Helps you efficiently convert food to energy

OHM Active Ingredients:

Taurine, D-Ribose, Schizandra Fruit, Apple Cider Vinegar, Panax Ginseng, Rhodiola, Tiamine HCl, Riboflavin, Niacinamide, Calcium Pantothenate, Pyridoxine HCl, Cyanocobalamin, Chromium Chelate, Vanadium Chelate, Inositol

CAL – STRONG BONES & HEALTH

- Regulates bodily activities: blood vessel contraction and expansion
- Secretion of hormones and enzymes
- Routing of messages through the nervous system
- Maintenance of bone health
- Constant level of calcium is necessary for the body fluids and tissues so that vital body processes function efficiently
- Average person loses 400 to 500 mg per day
- As you get older you are more susceptible to hip fractures and osteoporosis to due low calcium levels in the body

CAL Active Ingredients:

Vitamin C, Calcium, Vitamin D3, Vitamin K2, Phosphorus (MCHA), Magnesium, Zinc, Copper, Maganese, Ipriflavone, Horsetail Extract, Boron, Vanadium

HRT – HEART ENDURANCE & CHOLESTEROL CONTROL

- **CoEnzyme Q10** Supports cellular antioxidant activities & supports proper blood flow
- **Policosanol & Niacin (B3)** Benefits (Cholesterol Levels)
 - ~ May lower LDL (bad) cholesterol level in the blood
 - ~ May raise HDL (good) cholesterol
- **Oyster Mushroom** (Naturally occurring STATEN)
 - ~ Supports reduction of plaque in the arteries
 - ~ Supports normal blood flow
 - ~ Helps strengthen the immune system
 - ~ Supports Healthy heart function
- **L-Carnitine** Supports daily energy needs and helps improve heart rate, blood pressure and blood lipids
- **Taurine** Supports and protects normal heart functions and helps blood flow by supporting healthy blood vessels

Visit us at:
<http://www.GoTeamAgel.net>

HRT Active Ingredients:

Folic Acid, Selenium, Oyster Mushroom Powder, Taurine, Niacin, SeleniumL-Carnitine, CoEnzyme Q10, Policosanol

(Product is not intended to diagnose, treat, cure or prevent any disease. You should always discuss with your physician if HRT is appropriate to take for your condition)

FLX – JOINT FLEXIBILITY & CUSHIONED MOBILITY

- **Agel's Celadrin** improves range of joint mobility
 - ~ Improve knee joint range of motion and overall function
 - ~ Reduce joint-related pain associated with movement
 - ~ Improve the functional performance of arthritic joints
- **Glucosamine & Chondroitin** work synergistically to build cartilage and alleviate joint pain
- **MSM** strengthens collagen fibers within joint cartilage

FLX Active Ingredients:

Chondroitin Sulfate, Glucosamine HCl Methylsulfonmethane (MSM), Celadrin

Warning: May contain shellfish. Do not consume product if you have an allergy to shellfish

ARG – “ARGININE, THE MIRACLE MOLECULE”

- Enhances and increases muscle mass
- Reduces adipose tissue – body fat
- Supports healthy blood sugar levels
- Helps boost energy and rejuvenates body
- Stimulation of the release of most important anti-aging hormone in the body
- Improves immune function
- Reduces healing time of injuries (particularly bone)
- Assists in the reduction of heart disease
- Helps reduce insulin sensitivity
- Precursor for the synthesis of Nitric Oxide (NO)
 - ~ Natural alternative to Viagra
- Alleviates male infertility, improving sperm production
- Supports healthy sexual performance in both sexes by raising the level of nitrous oxide

ARG Active Ingredients:

Contains 5 grams of elemental pharmaceutical grade L-Arginine in the most easily metabolized form. Does not include inferior forms of L-Arginine, such as HCL

Caution: For use by adults over the age of 23. Not for use by pregnant or nursing women. Not for use by persons with brain or ocular herpes, prostate cancer, or those with Wilson's Disease (genetic copper disorder). Persons with diabetes, borderline diabetes, and cancer patients may only use this product under direction from your physician

FIT – WEIGHT LOSS & ACTIVITY

- Helps curb appetite and reduce food intake
- Increases fat burning activity and inhibits fat synthesis & storage
- Lowers cholesterol levels
- 3 times more effective than diet & exercise alone
- Reduces body mass index (BMI) to healthier levels
- HCA blocks the conversion of starchy & sugary foods into body fat

FIT Active Ingredients:

Super CitriMax (form of hydroxycitric acid (HCA) which comes from the fruit and rind of Garcinia Cambogia, Apple Cider Vinegar, Powdered Cellulose

Warning: Pregnant or lactating women, persons with known medical conditions or taking medications should consult their physician prior to using this product. This product is also not intended for children.

PRO – WORKOUT RECOVERY & MUSCLE GROWTH

- Whey Protein & Medium Chain Triglycerides is the solution for workout recovery and muscle growth
- Supports overall body conditioning
- Increased energy and a more efficient metabolism
- Balanced mini-meal / snack food (175 calories)
- Can also be used effectively with FIT for weight loss management

PRO Active Ingredients:

20 grams of protein from whey protein isolate. 175 calories breakdown to 80 protein, 55 carbohydrates, 40 fat

Warning: May contain milk. Do not consume product if you have an allergy to milk.
